Guidelines for the allocation of aid funds

Please check carefully whether you are eligible to apply for money from the relief fund:

1. Aid funds are awarded in accordance with the business plan. They may only be granted to students who are liable to pay fees to the Studierendenwerk Vorderpfalz. There is no legal entitlement to the payment of an assistance fund.
2. Assistance funds are awarded as grants. As a rule, aid funds are only granted after the end of the first semester.
3. If the standard period of study is exceeded by more than one year, a certificate of achievement must be submitted.
4. Aid funds are only granted to students who find themselves in a financial emergency through no fault of their own and are thus prevented from properly completing their studies.
5. The applicant is expected to make a reasonable contribution to alleviating his/her difficult situation. This includes in particular taking up gainful employment and / or taking out a loan.
6. The aid fund is granted up to a maximum amount of 1000 euros to the applicants according to their needs. The actual amount disbursed and the modalities depend on the need determined in the obligatory counselling interview. The payment can be made once or in several instalments. Multiple applications are possible, but the total amount of all disbursements may not exceed the maximum sum of 1000 euros.
7. A committee consisting of a representative of the Studierendenwerk Vorderpfalz and a representative of the general student committee of the participating universities.
8. The award will only be discussed if a written application is submitted that provides exhaustive information about the applicant's financial need. The application must be accompanied by the university's certificate of enrolment as well as documents and evidence supporting the application. This also includes bank statements, loan agreements, tenancy agreements, proof of income as well as further documents justifying the hardship. Missing documents will result in the application not being forwarded to the committee for a decision.
9. Applicants who have provided false or incomplete information in their application will not receive any benefits from the Studierendenwerk Vorderpfalz: any amounts already paid out must be refunded to the Studierendenwerk Vorderpfalz.
10. Aid funds must be repaid by the recipient if the reason for the financial hardship no longer applies. The recipient undertakes to inform the Studierendenwerk immediately.
11. The decision on the approval or rejection of the application is communicated to the applicant in writing.
12. The granted amount of the relief fund will be transferred to the specified account. Cash payment is not possible.
